My planning shortlist

[Conference / Edition] | [Interest / Planned / Attended] | View Details

NAVIGATION / BEHAVIOR

Select a conference or deadline to open its Conference Details/Edition screen.
View All Deadlines opens Planning; Open Review opens the existing AI review/approval screen.
Discover / Add Conference starts URL extraction; suggested values require review before publication.

Sort: [Start date v]

Conference	Year	Dates	Format	Location	
[Name / Acronym]	[Year]	[Start - End]	[In person]	[City / Country]	>
[Name / Acronym]	[Year]	[Start - End]	[Hybrid]	[City / Country]	>
[Name / Acronym]	[Year]	[Start - End]	[Virtual]	[Online]	>
[Name / Acronym]	[Year]	[Start - End]	[In person]	[City / Country]	>

Select a result to view deadlines, costs, sources, and yearly editions.

Export CSV

Previous | Page [1] | Next

NAVIGATION / BEHAVIOR

Each result opens Conference Details with the selected yearly edition; filters remain when returning.

Sidebar links open Dashboard, Planning/Deadlines, or the existing AI Review screen.

Empty results show "No conferences match your filters" and a Reset Filters action.
